

- **Do you want to work with a dynamic team with great opportunities for professional development?**
- **Would you like the great outdoors to be your office?**
- **Do you value working for an environmentally responsible employer that manages one of our most sustainable natural resources?**

Forestry Corporation of NSW (FCNSW) is the largest manager of commercial native and plantation forests in NSW. We manage more than two million hectares of forests for the economic, environmental and social benefit of the people of NSW and Australia, FCNSW adheres to the values of integrity, collaboration, respect, innovation, customer and stakeholder focus, safety and sustainability.

The Position:

This is a temporary position (up to 2 years) located in Eden. The Tactical Planner is responsible for producing accurate and timely tactical plans that align with strategic and sales and logistics plans to maximise the commercial value of the forest estate and support the corporation in meeting contractual supply obligations. The position plays a key role by linking strategic to operational plans and as such contributes directly to optimising performance.

The Person:

The ideal candidate will be self-driven and enjoy working in a dynamic and fast paced environment and will possess the following skills, qualifications and experience:

- Experience in resource planning, forest inventory, log product identification and harvesting systems in native hardwood forests, preferably in similar forest types to the Eden region.
- Knowledge and experience in the use of technologies and systems relevant for capturing and analysing resource planning data (such as spreadsheets, GIS, iPads, field measurement tools).
- Solid work ethic and ability to plan and prioritise work, meet standards and deadlines.
- Good interpersonal, oral and written communication skills and the ability to work as part of a team.
- Demonstrated analytical and problem solving skills.
- Knowledge and understanding of relevant forest practice requirements and implications for resource availability and planning
- Current drivers licence, willingness and capacity to undertake fire-fighting and arduous field-work, good physical fitness.
- Relevant tertiary qualifications preferred.

How to apply: Applicants should email their resume and a letter addressing how you meet the skills, qualifications and experience for the position, and outlining reasons for application to jobapplications@fcnsw.com.au

Closing date: Applications must be received by **30th of October**.

For more information about the role please contact Shane Clohesy on 02 4475 1411

Forestry Corporation is an inclusive workplace which promotes diversity and encourages flexible working arrangements. The successful applicant will be required to undergo a medical assessment and drug and alcohol screening as part of the recruitment process. As this role has frontline fire fighting responsibilities a Task Based Assessment (TBA) at a standard of at least the Moderate Field Test is required.
